Our college is accredited by the Association to Advance Collegiate Schools of Business (AACSB) International. AACSB accreditation represents the highest standard of achievement for business schools worldwide.

Less than 5 percent of the world's 16,000 business programs have earned AACSB accreditation. Many top, global corporations only recruit from AACSB-accredited schools, and consequently our graduates are offered better, more competitive salaries and have a higher likelihood of getting into top graduate programs.

Our college is accredited by the Association to Advance Collegiate Schools of Business (AACSB) International. AACSB accreditation represents the highest standard of achievement for business schools worldwide.

Less than 5 percent of the world's 16,000 business programs have earned AACSB accreditation. Many top, global corporations only recruit from AACSB-accredited schools, and consequently our graduates are offered better, more competitive salaries and have a higher likelihood of getting into top graduate programs.

### Age 19 and under Transfer Students

If you are 19 or younger and have more than 24 transfer credits, you will be considered a first-time college student for transfer admission purposes. **Your college transcript will be required for admission.**

If you are admitted, follow the 'After You've Been Admitted Next Steps' which includes submitting your official transcripts and test scores.

### Age 19 and under Transfer Students

If you are 19 or younger and have more than 24 transfer credits, you will be considered a first-time college student for transfer admission purposes. **Your college transcript will be required for admission.**

### Age 20 or over Transfer Students

If you are 20 or older and have more than 24 transfer credits, you will be admitted **regardless of your cumulative GPA**. You will **need to submit an official high school/GED transcript or an official college transcript for admission.**

### **When you are admitted, submit your official documents.**

As a transfer student, it is best to submit official transcripts as soon as possible. MSU Denver does not request official documents when you apply. You are admitted based on the information you enter on your application and/or unofficial documents that you upload, so you should make sure all information is as accurate as possible. **Enrollment and financial aid can be impacted if you do not submit your official documents, so be sure to request them as soon as possible after you are admitted.**

Our college is accredited by the Association to Advance Collegiate Schools of Business (AACSB) International. AACSB accreditation represents the highest standard of achievement for business schools worldwide.

Less than 5 percent of the world's 16,000 business programs have earned AACSB accreditation. Many top, global corporations only recruit from AACSB-accredited schools, and consequently our graduates are offered better, more competitive salaries and have a higher likelihood of getting into top graduate programs.
