Good morning,

I hope everyone is doing well. Please see the updates below. Any questions or concerns, please let me know. Take care and be safe.

### Campus COVID-19 Updates:

### Johnson and Johnson Vaccine:

The Johnson and Johnson single-dose vaccine has been approved by the Food and Drug Administration (FDA) for individuals 18 years of age and older. Below is the FDA publication as well as the Johnson and Johnson release.

### Masks:

Please continue to wear your masks in common areas or where you cannot socially distance. This continues to be a persistent problem in some areas. Please remember if you are in a situation where you are in a common space, cannot be socially distanced, or entering any building on campus that masks are required to be worn at all times.
