The Trading Post also offers many popular products once carried by the Campus Bookstore, like school supplies and [fan apparel](#). To curb those hungry times when campus dining is closed, food items such as snacks and cold drinks are available and are the cheapest on campus! The Trading Post is also a place to socialize while charging a mobile device.

In the future, the store intends to offer online options for merchandise and custom gift baskets that can be delivered on campus.

Ordering Textbooks

Textbooks are available to rent or purchase through Colby Books. Though books may be available through other vendors, faculty recommend using the CCC portal to ensure students use the correct resources for classes. Books can be accessed in the following steps:

1. Visit www.colbyccbooks.com

2. Under "Textbook Lookup," select "lookup by student ID" or "lookup by course."
3. Returning customers can log in for faster ordering. Choose your preferred shipping method and payment type.
4. You will receive a confirmation email with order tracking and pick-up information.

4. Scroll down to the bottom of the page to find Colby Bookstore link
