Good afternoon,

I hope everyone is doing well. We wanted to send out a reminder to be safe this long weekend and to remember to practice proper social distancing. The safety of our students, campus, employees, and the communities we serve is paramount to the institution. The wearing of masks and practicing proper social distancing has not been as strong as when we initially started the semester. We need to make a concentrated effort to make this a priority. Please make every effort to keep yourself and those around you safe. Take care and we look forward to seeing you next Tuesday.
