### Welcome Message

Welcome to Colby Community College! This class schedule was produced by Colby Community College to inform and assist students in registering for on-campus Fall semester classes.

This schedule does not represent a contract between Colby Community College and its students. It is only informational in nature. While all information in this schedule was correct at the time of printing, it is subject to change. Students should check with advisors and watch for schedule updates in other college publications and media. Ultimately, each student is responsible for the content of his or her class schedule. Schedules for high school outreach classes are available on-line at [www.colbycc.edu/outreach](http://www.colbycc.edu/outreach).

Questions about class scheduling should be addressed to an advisor. For additional questions concerning registration, you may contact the Trojan Advising Center at 785-460-5401.

Students are able to drop and add classes through the 100% refund period. Students are cautioned that any changes made outside of the plan agreed upon with their advisor may jeopardize their full-time status, graduation status, or both. Students not enrolled during the Spring 2024 semester should begin the Admissions process through the Admissions Office and then contact the Advising Center for enrollment.

### CCC Add/Drop/Last day to Withdraw Policy

It is the responsibility of the student to check his/her schedule and make any adjustments through the add/drop procedure. Students must attend classes within the certification period in order to be

enrolled. State law requires the withdrawal of any student who does not attend class at least one time during this period.

Students will have:

1. Eight instructional days to add or drop with a full refund for 12 to 16-week classes;
2. Five instructional days to add or drop with a full refund for 8-week classes;
3. Three instructional days to add or drop with a full refund for 2 to 4-week classes.

To add a class after enrollment is closed the student must receive written approval from the instructor and the VP of Academic Affairs. After 15 days students will not be allowed to add a full-semester, 12-week, 8-week, or 4-week class.

Students may withdraw any time after enrollment is closed and until the date published by the Registrar's Office which is 65% of the class. A "W" will be recorded on the student's transcript at that time. After 65% of the class is complete, a grade of "W" cannot be given.

## Commencement

Students planning to graduate must apply for graduation through the Registrar's Office via. While enrolling with advisors, students should make sure they have met all graduation requirements.

Fall 2024 Graduation Applications are due October 25, 2024.

## Weather Policies

Owing to state requirements mandating the number of instructional hours, Colby Community College rarely cancels regularly-scheduled classes due to inclement weather. On occasion, however, weather conditions may force the delay or cancellation of classes.

Postponements/cancellation notices at the college are recorded on a dedicated phone number at (785) 460-4646. Any changes will also be posted on the website [www.colbycc.edu](http://www.colbycc.edu), social media accounts, student emails, and announced by broadcast media as conditions warrant.

Because of the large volume of calls from commuters, on-campus students should not attempt to call the college switchboard. The decision to attend class during hazardous weather conditions rests with each individual student. Commuters should check with civil authorities for weather and road conditions.
